Website : [www.cooksbodyworks.com.au](http://www.cooksbodyworks.com.au)

### **Central Locking**

**Convenience, Security, Peace of Mind**

When it comes to security, Cook's have got it all locked up with this optional extra.

The new central locking system interconnects with existing vehicle cab system thereby eliminating the need for 2 seperate remote controls.

From outside, it looks the same as any other Cook's Service Body. Inside, low profile components enable fitment of all the standard options.

#### **Locking up your Livelihood by Remote**
